SALMON, IDAHO 83467

March 22, 2019

To: US Forest Service National Saw Program Manager

Peter Duncan, 159 Lawrence Street, Quincy, CA 95971

Subject: Memo of Transmittal for Back Country Horsemen of Idaho Sawyer Program

Back Country Horsemen of Idaho (BCHI) is pleased to present our sawyer program structure for your review and consideration for approval.

This effort has been accomplished by Bill Conger BCHI Chairman, Rod Parks BCHI Vice-Chair, Dale Schrempp Lead Sawyer & Coordinator Northern Idaho - Region 1, Rob Adams Sawyer Coordinator Southern Idaho - Region 4 in coordination with Charlie Jarvis Boise National Forest Northern Zone Trails Supervisor and USFS Recreational and Trails Managers for the national forest throughout Idaho.

Additionally, we have collaborated closely with Back Country Horsemen of California's Saw program leads Dan Horn and Paul Herzig, without whose support and guidance, we would have had difficulty putting this proposal forward.

We thank you in advance for your consideration and approval of our program

Bill Conger – Chairman Back Country Horsemen of Idaho
