PASSES- 4 passes are provided by the vendor to be used by the booth staff. Additional passes can be bought for \$5/pass by the clubs and left at the Will Call desk at the entrance to be used by club members. When done they can be returned to the Will Call desk for others use. I MUST have the # of badges desired by **2/15/2012**. Additional requests cannot be accommodated after that date. A list MUST be provided to the will call desk of those who are eligible to use the available passes. If not on the list they will not get a pass and have to pay the door price, no exceptions. If all passes are in current use, they will have to pay door price. Each club will be responsible to submit a list to me by **Feb 15, 2012**.
