

4-Mile HMA – Map1, parking at the junction of 4 Mile road and Big Flat road just north of the bridge on Van Duesen road.

Map2, there are no trail markers, and the trails themselves are stock and game trails, but they follow obvious contours, and you can see 4 Mile Rd most of the time. This is rocky ground, so shoes or boots are recommended. Look for wild horses, you are more likely to see them in the spring than in mid-summer. Be quite and don't approach them too closely.
