A Non-Profit Service Organization

Our website is the primary way we communicate with our membership. Take some time to explore it and click on the underlined links to learn more about Back Country Horsemen of America and BCHI our state organization.

Under [Activities](#), find out what events, rides and training opportunities are being planned. Below is the tentative schedule for June of 2019. Each event contains information on Date, location, directions and often pictures of past events to give you an idea of what the event and location is like. It also has contact info. Feel free to call or email to find out more before signing up. Signing up for events is important, as we need to know who is coming and for overnight events the chapter provides weed free certified hay for its members to use. [How-to sign-up Video](#)

TRAINING & MANUALS TIPS & TRIPS SQUAW BUTTE WEBSITE

This is the most popular part of our website and is read by people all over the country, most of who only dream of riding in the mountains of the west and Idaho in particular. One of the library pages contains forms and chapter documents. Others contain meeting minutes and other useful information, take some time and explore. We are always looking for stories and other information to post, so if you write or see something, please send me a copy or links to it.
