

## Advanced Crosscut & Chainsaw Workshop Stanley Idaho

Hosted by [BCHI](#), [ITA](#), [PUG](#), [Sawtooth Society](#), [WRTC](#) & USFS

The advanced workshops are held on the Thursday and Friday before the Stanley DTS workshop and require endorsement from a hosting volunteer group to attend, as space is limited. The workshops are for experienced "B" or "C" sawyer to advance their sawyer skills and volunteers interested in becoming DTS instructors.

Contact a hosting organization if interested in attending a workshop
